

BRAIN GYM® 101

SOLVING THE PUZZLE TO SUCCESS

Brain Gym® is a movement based learning readiness program. Reduce anxiety, optimize brain power and accelerate the learning curve with this powerful model.

Learn

- Learn to set goals that have meaning.
- Learn Brain Gym® movements that help organize the nervous system for success.
- (Days 2 & 3) Learn the Dennison Laterality Re-patterning.

Understand

- Understand the steps to creating change in your life.
- Begin to understand the relationship between movement patterns, midlines, behaviors and brain function.

Explore

- Explore self-awareness tools used to empower children and adults to play “detective” in order to speed up learning and positive changes.
- (Days 2 & 3) Explore and understand the three Dimensions of Intelligence.

Experience

- (Days 2 & 3) Experience a deeper mind/body integration in relation to your personal goals and understand how you can use Brain Gym® practically at home, school and work
- (Days 2 & 3) Experience personal growth in processing speed, organization, balance, and coordination.
